ELEPHANT SWIM

Twice daily, our herd of Asian elephants enjoy a leisurely stroll to Recreation Lake, where they frolic and play in the cool water.

PARROT PARADISE

Watch and enjoy beautiful parrots and other feathered friends from around the world as they showcase their incredible intelligence and natural abilities.

BIRDS OF PREY FLYING DEMONSTRATION

See hawks, eagles, owls, vultures and falcons soar above your head while learning about their flying styles and their role as predators in nature.

ELEPHANT ROUND-UP

Watch as Asian elephants display their incredible strength, intelligence and agility. Learn amazing facts about this endangered species.

To ensure your visit is as enjoyable as possible please take the time to review the above Presentation Schedule and the following instructions:

- (1) Each presentation is approximately 20 minutes long.
- (2) As the presentations are very popular we suggest that you ARRIVE EARLY FOR SEATING as they are on a first come, first served basis. Guests may not be permitted entry once the presentation has begun.
- (3) Guests with strollers and wagons will be directed to park them in designated areas outside of the presentation areas for reasons of safety. Please secure your stroller/wagon and its contents, as African Lion Safari® is not responsible for their loss.
- (4) All presentations are weather permitting.
